### Payments

Stamped deposit slips and electronic fund transfers (EFTs) into NMMU's bank account will be accepted as valid proof of payment. EFTs must indicate that the transaction was successfully processed.

**Internet and direct bank payments do NOT reflect immediately on your student account and processing may take up to four days. Down payments must therefore be made four days prior to registration. Registration will be blocked until the payment reflects on the student account. Queries will be attended to only after the four days have expired. A copy of the bank deposit slip/internet proof of payment is required.** After the queried payment has been identified on NMMU's bank statement, the student will be able to continue with registration.

There are no NMMU Cashier Pay Point facilities at the registration venues. Due to the location of the Cashier Pay Points, you are advised to pay before proceeding to the registration venues.

## Payment methods

### Cashier Pay Points at all campuses

Payments made at NMMU Cashier Pay Points in respect of your registration down payment will immediately reflect as a credit on your student account. All cheque payments must be made payable to NMMU and crossed "not transferable". Altered or post-dated cheques will not be accepted. Verify that the amount paid and student number reflects correctly on your receipt.

### Card payments

Card payments in respect of application and tuition fees can be made via the NMMU website under Online Payment of Fees or at

<https://paymentgateway.nmmu.ac.za/>.

If access to the internet is not available, a credit card instruction form is obtainable from the NMMU cashiers at contact number 041-5044291.

Upon receipt of the completed instruction form, the payment will be processed. The completed credit card instruction form must be emailed to studentaccounts@nmmu.ac.za. Budget plan payments are acceptable.

No "cash back" transactions are allowed on credit card payments.

### Debit cards

No "cash back" transactions are allowed on debit card payments. Debit cards can only be accepted if presented by the card holder.

### Postal and money orders (purchased from the Post Office)

These are to be made payable to NMMU. When purchasing postal orders it is essential that you complete your details on the back of the postal order before posting it to NMMU. **Your student number must be included in the covering letter.**

### Electronic fund transfers

If you choose to pay NMMU directly via electronic fund transfer (EFT), it is important that you indicate your STUDENT NUMBER as your deposit reference. This will enable NMMU to associate the payment with your student account.

The beneficiary must be **NMMU** for electronic payments. Kindly ensure that the bank details of NMMU and your student number are captured correctly. Electronic banking is at the payer's own risk. The proof of payment presented to NMMU **must** indicate that the transaction was successfully processed. Post-dated payments are not acceptable.

### Direct deposits (at any bank)

Direct deposits can only be acknowledged if you state your **STUDENT NUMBER** as a reference on your deposit slip. Your student number will enable NMMU to associate the payment with **your** student account. The beneficiary must be **NMMU**. Verify that the amount paid, bank account and student number reflect correctly on your deposit slip.

If the award/grant/bursary amount exceeds the required upfront down payment, automatic clearance for registration is granted. A copy of the award/grant/bursary letter should be in your possession during registration.
