

Faculty of Science

National Science Week 2019: From Cala to Thembalethu

CERN Seminar and CERN Virtual Tour

Dr Thomas Dietel, from the University of Cape Town in collaboration with the Faculty of Science, will be presenting a seminar on “CERN and South Africa”. The talk will present the research at CERN and the contributions from South Africa, and highlight the possibilities for students and staff to visit CERN and get involved with the research work there.

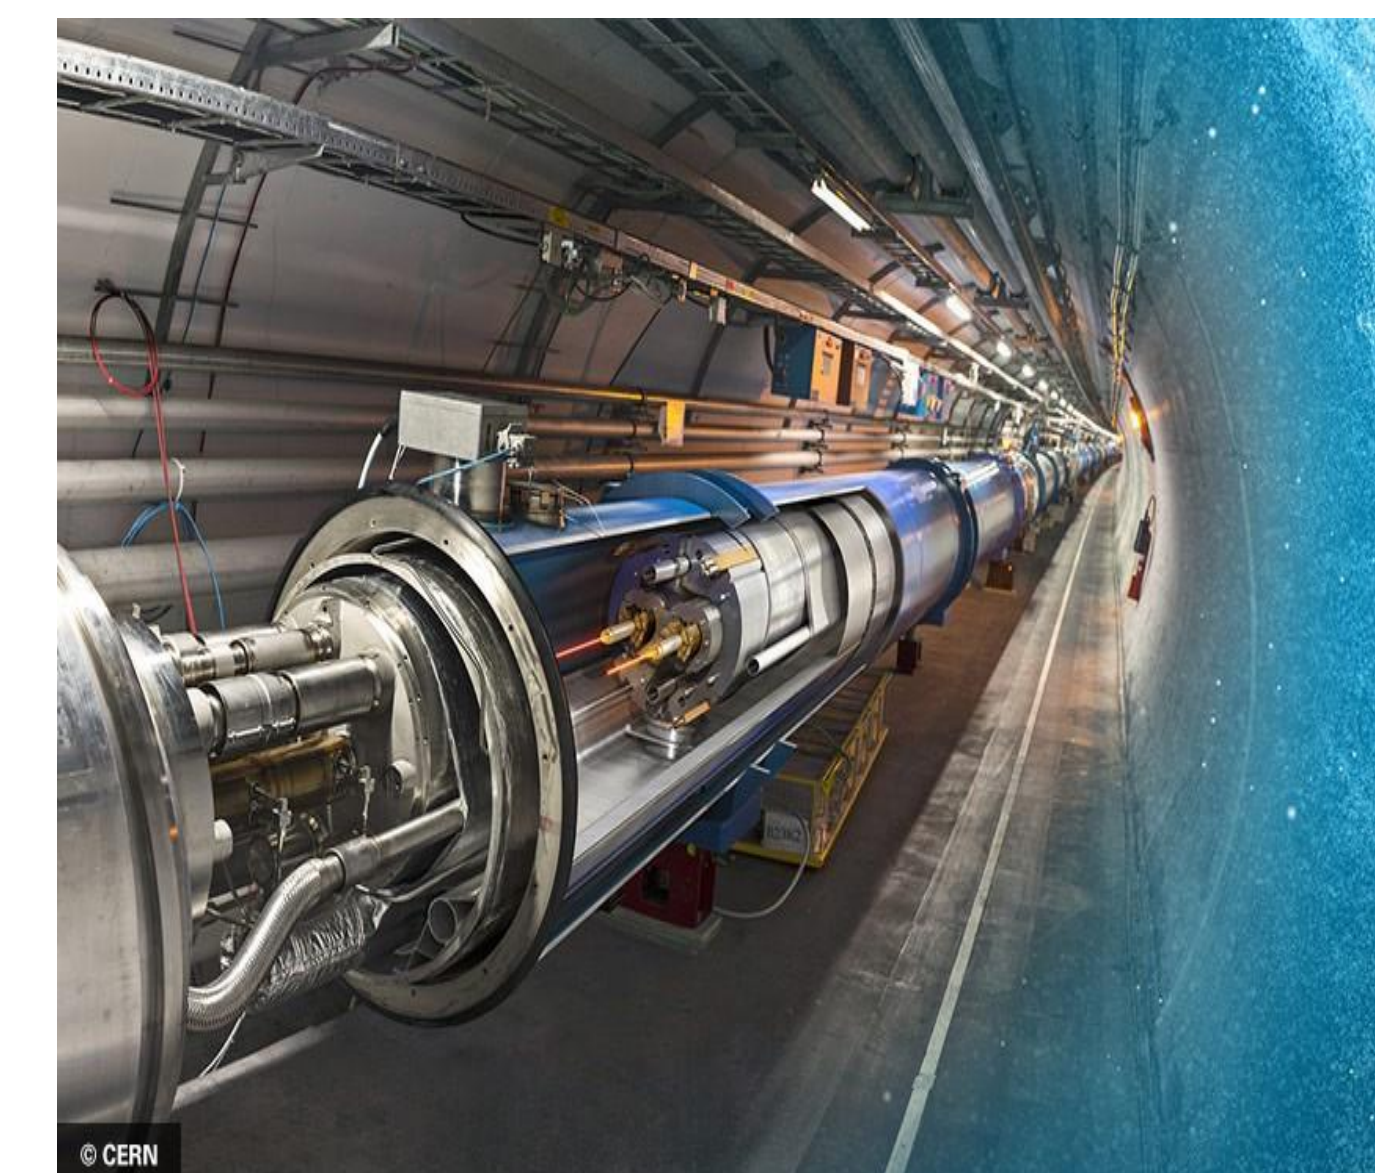

The seminar will be followed by a CERN virtual Tour hosted by Dr Claire Lee from Brookhaven National Laboratory. She will be interacting with audience in Port Elizabeth live from the Large Hadron Collider at CERN, Geneva Switzerland.

This Virtual Tour and the public lecture form part of the pre-launch activities leading up the 2019 National Science Week.

- Date:** Friday, 26 July 2019
- Time:** 12H05-13H15 (*Public Lecture*)
13H15-14H15 (*Virtual Tour*)
- Venue:** Second Ave Campus :Business School, Auditorium.
